

Nampa Chapter GPAA Newsletter

April 24, 2005
www.idahogpaa.org

**Nampa GPAA meets the first Tuesday of every month at:
Snake River Elementary School
500 Stampede Drive
Nampa, Idaho
7:00 p.m.**

Presidents Message

Hello all,

Well what does everybody think of the new meeting place? I hope it will work out for years to come. If you have any ideas or comments about how we can make the meetings better please call or email me.

I hope that you all can make it to the May 13 –15th outing at Prospectors Paradise.

Warren Jindrich offered the club the use of his truck bed wash plant to use on the common, as well as the trommels that we hope to have there. I hope the weather starts to cooperate.

The dredge permits are out so make sure you get one before you go to the outing.

We also have the water issue resolved so it looks like it's time to go mining.

I am looking foreword to a great season out there in the hills and rivers enjoying new friends and old. So plan on joining in the fun and we will

make some great memories, and we might even find some gold!
Rob Forbes...

GOOD NEWS

By Warren Jindrich

The club has rented and paid for one acre-foot of water in the Pioneerville area for the Been Used claim and one-acre foot in the Placerville area for the Prospectors Paradise claim. Lee Sisco, the Water Master for District #63, rented them to the club for one year at the rate of \$14.00 each.

May Outing

Please note the **date change** for the May Outing. The Nampa Chapter Outing will be **May 13-15**. The location will be the same, Prospectors Paradise.

There will be a common operation with the bobcat and trommel. There is plenty of room so bring your high banker and set it up by the pond or set your sluice in the creek. You might even bring your dredge. If you work with is a pan, I'm sure you could find some dirt to fill it. You

might find someone there that would love your help working their equipment.

We are planning a potluck dinner Saturday night with a bon fire. Bring your favorite meat, casserole and salad dish and lots of desserts. Sunday morning the club will be providing a breakfast of pancakes, eggs and bacon. We are going to make some great memories so bring the whole family.

Snake River Elementary School Is The New Meeting Place

Nampa Chapter GPAA will continue meeting at Snake River Elementary School cafeteria, 500 Stampede Drive, Nampa. Mining Meeting starts at 7:00 p.m.
