Presidential Nuggets

Happy New Year !! This is the time when we will all go through that tradition of making resolutions. Some of those resolutions are just hopes (knowing that we will probably not make them happen), some are dreams that we KNOW we can achieve, and some are gotta-do's. My hope for each of us is that we are satisfied with our results. We officers have resolved that the Nampa GPAA chapter become financially sound, better organized, more informative, and lots of fun. With that in mind, we want to let you know that we are open to suggestions and reminders to achieve those goals. The Nampa GPAA consists of all of us and we CAN make it a remarkable entity!! See you at the meeting!
