Presidential Nuggets

We all want spring to be here. Enough of the cold! So in anticipation of that, we are going to have a get-together (date yet to be determined) to go through those buckets of old dirt and bottles of black sand that you have sitting in your garage. We will set up a panning station or two, have some recirculating high-bankers, and some spirals going. Maybe we can make some space in our garages for new dirt!

We are also going to have an auction at the March meeting to raise money for the club. Each person needs to bring an item to be auctioned; it can be gold related or not. Ideas: homemade goodies, those gifts that you received for Christmas that you didn't want, gold nuggets, books, plants, tools and ???.

See you at the next meeting on February 6th and stay warm until then!
