

Nampa, ID Chapter GPAA Newsletter

6 July 2006

www.idahogpaa.org

It was a great day for testing new equipment, getting out the tried and true, having fun and staying cool in Mores Creek! On top of all that there was a good showing of gold! What more could you ask for?!

Presidential Nuggets

Hi, Fellow Gold Seekers! Last month I mentioned that we should be careful around thunderstorms, and to be sure and use that sunscreen. During our outing at the Island this month we managed to stay away from the lightning strikes, but I forgot about the sunscreen! SO: (from experience) I highly recommend using that UV protection!!

At the July meeting we voted to move the Anniversary Outing to August 11, 12 & 13. This will be a very fun outing, so make your calendars. The Obermyers (whose claim we will be using) are VERY excited about having us and will be providing us with lots of very rich dirt. You might actually be able to pick a few pieces out of your pan with your fingers! At the very least you will go home with the bottom of your bottle covered with GOLD!!!

I have volunteer sign-up sheets for the Anniversary Outing which I will bring to the next meeting on August 1st. Until then, HAPPY HUNTING!! Karin Hunter

July Outing
