Presidential Nuggets

Hi, Fellow Gold Seekers! Well the heat is here. So make sure that you drink lots of water, use sunscreen and stay away from those lightning bolts! Remember, water is a conductor of electricity, so scramble fast out of that stream when a storm approaches!

We had a good outing at the Island in June. Quite a few people dropped in for a taste of gold. The water level is down quite a bit and should be perfect for the July outing. We plan on finding enough color to make everyone happy!

At our July meeting we will be discussing the Anniversary Outing coming up in August and will be voting on whether to have it the first or second weekend. If you have any ideas for activities, please bring that up at the meeting. All volunteers are welcome!!!

Remember that the July meeting is on Thursday, the 6th, at Lakeview Park ACROSS THE STREET FROM THE TANK. Happy Prospecting, Karin

June Outing

A BIG THANK YOU to all the folks who helped with Murphy Outpost Days. Thanks also go to organizer Rob Forbes. We had a lot of fun and met many nice people there.

Don't forget Idaho City Gold Rush Days 9-10 Sept. Help will be

needed for this outing!!!

Think everyone who made it to the Island Claim on 9 June, went home with a little bit of color...that makes for a good day!
