Presidential Nuggets

Happy spring to you all! As we venture out seeking our fortune, we need to remember to leave each place in as good, or even better, condition than we found it. This makes us good stewards of our earth as well as leaving a good legacy for the next generation of venturers.

I would appreciate any and all input as to how we can make our club an outstanding and rewarding entity. Let me know what you are thinking by either e-mailing me at Karin1223@aol.com or calling me at 585-2190. All communications are confidential.

We also need speakers for our meetings. If you have an idea for a topic to be covered, know someone who would be interested in sharing their knowledge, or are interested in speaking on a subject yourself, please let me know! We have plenty of newcomers who would welcome even the simplest and most basic of information.

With that said, I look forward to sharing with many of you some wonderful times this summer. May we all find our fortunes!

Your President, Karin.
