## Presidential Nuggets

This time of year is a good time to reflect on all of the wonderful things in our lives -- family, friends, and hobbies to name a few. There are those among us who are having a rough time and I would encourage making a phone call to anyone that you suspect could use a kind word. It can also be a lonely time for many. A simple phone call can mean the difference between sadness and a happy smile. So, in the spirit of giving, I am passing on to you a few websites that might keep your mind and hands busy:

Basic Chemistry for the Prospector:  
<http://webpages.charter.net/kwilliams00/bcftp/bcftp.htm>

"How to Build a Floating Collector/Classifier for your Gold Hand Pump for Around \$20 or Less":  
<http://www.geocities.com/arkiepics/goldglitter.html>

Free topo maps:  
<http://www.topozone.com/vi ewmaps.asp>

Topo tips:  
<http://www.cis.ksu.edu/~dh a5446/topoweb/guide.html>  
Also <http://www.map-reading.com/> And <http://mac.usgs.gov/isb/pub s/booklets/symbols/reading .html>

May the spirit of the Holidays be with you!

Pres.

See you in a few days!!
