Presidential Nuggets

Hi, Folks!

As you have probably noticed, the holiday season is approaching (Halloween, Veterans Day, Thanksgiving, Christmas, etc.). It's time to clean up all of your pans, sluices, dredges, shovels and buckets, making sure that everything is dry. Next spring you will really appreciate what a wonderful job you did!! (I always hide a \$20 bill in my gear so that spring is especially great!)

I received a phone call from the president of the Caribou Club a few days ago. He has made a movie of their outings and is sending us a copy which I hope to have in time for showing at the November 7th meeting. December's meeting will be our annual Christmas dinner. Time and place to be announced at the November meeting. We will also need to have a head count, so if you are unable to make the next meeting, give one of the officers a call and let us know.

Just a reminder: absolutely no tobacco or tobacco products are allowed anywhere on the school premises (including butts and snoose). See you in a few days!!
