NAMPA GPAA Meeting Minutes of September 2, 2008

The meeting was called to order by President, Rob Forbes.

Visitors and new Members introduced themselves.

Good and welfare:

Larry Steele, outings director, is still having some medical complications. Rob gave an update. Please keep him in

your thoughts. In his absence, Dan will step in to help as outings director until Larry can come back.

The minutes were read and approved.

The Treasurer, Karin Hunter, is back in town and should be at the next meeting.

The Vice President, Cary Singleton, reported that new fliers are available to be taken by members and given out to prospective members. He also discussed the idea of creating a two year membership to help ease renewal time.

New Business:

Rob and Brett went to Idaho City to record claims.

Many activities are going on this weekend, including Idaho City Days and Blue Bucket.

The question of changing meeting place was asked by Rob. He was notified that the school will possibly be raising our rates. This could double the cost for us to meet at the school. Currently we pay \$15 an hour. The school said it would be at least \$20 an hour, but probably more. If you have any ideas where we can meet let Cary or Rob know. Cary has some friends looking for new venues in Nampa.

Private label water bottles were mentioned as a possible

fundraiser at events like Idaho City Days.

Claims Director report:

The assessment work was done today, including looking at the plan of operation on prospectors.

Outings:

No formal outing this weekend. Some people may check out Idaho City Days or go to Blue Bucket.

Ray will go to the Blue Bucket one day as a vendor. The cost to go to Blue Bucket is \$100 for GPAA members, \$60 for LDMA members. Free if you do not mine and just want to go look around.

Jim Jencks won Silver and Bronze medals in the senior games.

Old Business:

Are we still a GPAA club-Yes.

Meeting was adjourned and the raffle was held.

Respectfully submitted,
Jesse Leib
