Presidential Nuggets

Now that Fall is here, it's time to make those last few exploration runs into the high country. Keep a look-out for those places that could be claimed for the club's use - preferably with LOTS of color! At the last meeting our Claims Director, Brett Williams, mentioned that some claims could be coming open due to people not renewing their claims. Now is a perfect time to check with the BLM to do some exploring and see what might be available. Brett would be very happy to hold a meeting just for this purpose - please contact him as to when would be a good time for you to join in. Or just call him if you have any input on this subject.

Our next meeting will be at the Snake River Elementary School on Stampede Dr. in Nampa. The school has made it very clear that there will be a **No Tolerance Rule** regarding any tobacco substances. Therefore we must be very careful to not have ANY substance even remotely resembling a tobacco product on the whole school grounds. This would include smoking on the premises, butts, snoose, wrappers, etc. If they find anything after our use of the building, we will no longer be able to use this facility. PLEASE confine your tobacco use to elsewhere.

Don't forget: Next meeting is Tuesday October 3rd at 7pm. See ya there!

Idaho City Gold Rush Days -- This event turned out not be a very small event. Karin Hunter and John Cameron maintained the small crowd quite well and met some very interesting people. They obtained one lead that can be checked out regarding a spot to pan, but all in all, most people either had already panned themselves out years ago and/or weren't going to divulge where the good places were!

Pete and Elaine Oakander talked with several gold savvy folks at Givens Hot Springs 125th Anniversary. Information on our club was requested by many - hopefully we will see them at upcoming meetings!

Tailings

Still looking for feedback on our Anniversary Outing! How did anybody do at the Island Claim this month? Did Tom have his dredge seminar? Anyone with something to share in your newsletter, please let the secretary know!!!
